DID YOU KNOW?

Most print books are organized by their subject in the Library.
The call number on the spine of the book is like an “address” but also helps us know what the book it is about!

Can you guess what each book is about?
Hint: Look at the picture on the cover!

Answers: 340 = Law; 598 = Birds; 780 = Music
Some libraries lend tools, sports equipment, and other surprising things. Draw what you would like to borrow from your library.
DID YOU KNOW?

Book Clubs and Discussion Groups can help develop critical thinking and questioning skills. This is known as **dialogic learning** — from the word “dialog.”

Do you have a favorite book or know of one you would choose for a book club? Write the title in the box below! Need an idea? Try searching the **Library’s Online Catalog** at: [http://www.mtsac.edu/library/](http://www.mtsac.edu/library/)
